Key Indicator- 1.4 Feedback System

1.4.1 Institution obtains feedback on the syllabus and its transaction at the institution from the following stakeholders

1) Students 2) Teachers 3) Alumni

N.S.SR.'s

Arts and Science college, Chousala Tq . Dist. Beed

Action taken report of the institute on Feedback

1) Students Feedback

Most of the students were satisfied with the syllabus and various aspects of teaching like coverage of syllabus, research work, teachers communication skill, efficiency and overall improvements. Many students strongly agree and are satisfied with the contents of syllabus. Most of the students also responded that reading material and reference books regarding subjects were easily available in the library. Students also commented that the subject books were relevant. A few students felt that the syllabus should have more approach to co curricular, extracurricular and extension activities..

Action taken

In view of identifying the requirements of students, the college has taken feedback curriculum and syllabus. As suggested by the students the following actions were taken...

1. Most of the teachers' communicative skills are effective still they are informed to make more use ICT in teaching-learning process. As a result, teachers are making more use of ICT in teaching-learning process.
2. As the syllabus is not much effective for the placement of the students the Bos members of our institute pursued the academic council of the parent university to make some changes in the syllabus. As a result, the parent university has incorporated some changes in the syllabus.
3. While dealing with the Curriculum teachers try to develop the overall personality of students.
4. The institute provides opportunities to students for involvement in curricular, co curricular, extracurricular and extension activities.
5. The environmental awareness issues are incorporated in the syllabus and the teachers try to inculcate the habit of the conservation of the environment through various programmes.
6. Learning resources are made available in the Library. Sufficient reading material on the syllabus and on competitive exams is made available in the library.

2) Teachers Feedback

Action taken

Most of the teachers strongly agree that the design of syllabus is student centric and the current syllabus is useful in practical life. Following actions were taken as per the written and the oral feedback received from the teachers of the institute...

1. Extension activities regarding the society and environment were undertaken.
2. While dealing with the Curriculum teachers try to develop the overall personality of students.
3. The librarian was instructed to keep more reference books in the library
4. The institute tries to create Environmental awareness among the students by making them participate in environmental issues and extension activities.

3. Alumni Feedback

Most of the alumni strongly agree that the teachers motivate the students and the entire syllabus is covered by the teachers. Following actions were taken as per the written and the oral feedback received from the alumni of the institute..

- 1) The college staff makes interaction with the students in a nice manner.
- 2) The teachers make more use of ICT while delivering curriculum to the students.
1. As the syllabus is not much effective for the placement of the students the BOS members of our institute pursued the academic council of the parent university to make some changes in the syllabus. As a result the parent university has incorporated some changes in the syllabus.
- 3) Extracurricular activities are conducted for improvement of students.
- 4) Teachers try to create Environmental awareness among the students.

The Feedback Committee took feedback of students, teacher and alumni and analyzed and it was shown to the principal and whatever suggestions which were received were analyzed and necessary changes were be made.
