INTRODUCTION

It is a matter of immense pleasure that N.S.S.R's ARTS & SCIENCE College, Chousala Dist Beed (Maharashtra) Pin-431515 is going to submit S.S.R. to NAAC, Bangalore for Re-Accreditation. We have tried our level best to follow the guidelines given by NAAC. We sincerely tried to implement the suggestions given by peer team of NAAC at the time of ACCREDITATION. Our college is located in rural and unprivileged area of Marathwada region. We try for the upliftment of students in this area. Our focus is on quality sustenance and enhancement. We strictly follow the policy of NAAC which stresses on 'Pursuit of Excellence'. Our institution tries its level best to develop the career of students by giving them quality education and preparing them how to face the challenges of the fast changing world.

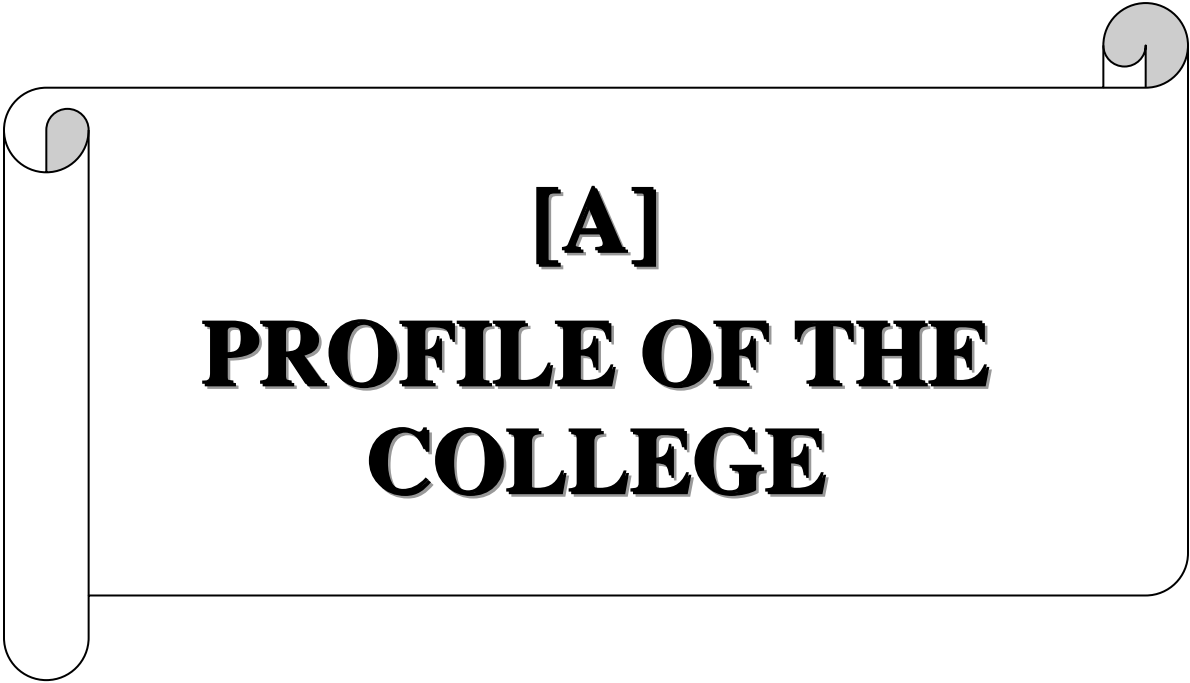

We take sincere efforts to shape the destiny of students in this world of Information Technology and Globalization by giving them proper training in ICT. We provide job-oriented education to students, which makes them self sufficient & helps them to develop their career. Our motto is 'the quest for excellence in Higher education'.

The mission reflects the institutions' aims, objectives to provide higher education to the students of rural and unprivileged areas.

The founder of the institution late **Mrs. Kesharbai sonajirao Kshirsagar**, Ex-M.P., Beed and **Hon. Minister Jaidattji Kshirsagar**, a visionary wanted to bring out in social change by providing education to the student of all sections of society.

The college tries to uphold the high tradition and value of the institution.

The academic programs undertaken by the college are in the line with the institutions goal and objectives. We have accepted the curriculum and syllabus framed by Dr. Babasaheb Ambedkar Marathwada University, Aurangabad.

The curriculum implemented in our college has access to the disadvantaged equity, self development, community and national development, ecology and environment, value orientation, employment, information technology to fulfill global and national demands.

We provide the update knowledge of information and communication technology (ICT) through well developed computer Laboratories which helps to equip the students to compete in the global employment market.

Our institution is keen and active in curriculum design and development process. The faculty members have share in syllabus designing in the capacity as members of Board of Studies of Dr. B.A.M.U. Aurangabad. We seek the feedback from faculty, students, and alumni for syllabus designing.

Our faculty members work as examiners, paper setters and engage in the work of valuation of the students in practical exam & Internal and External assessment.

Academic Flexibility:

Our college has two faculties: Arts & Science. In Arts we have, in languages Marathi, English & Hindi. In social sciences we have sociology, History, Political Science, Economics & in Practical Subjects Geography, Home science and physical Education. We run certificate courses under adult continuing education & extension services program run by Dr. Babasaheb Ambedkar Marathwada University, Aurangabad.

Our admission process is very transparent and on merit basis. The fees structure for all the three faculties is as per Dr. Babasaheb Ambedkar Marathwada University, Aurangabad and Government of Maharashtra rules and regulations.

Feedback on Curriculum:

We obtain feedback on curriculum form the students. We take feedback forms filled up by students, alumni and parents & their ideas and views get reflected in the curriculum design. We convey the suggestions of the students and parents for appropriate inclusions.

Curriculum Update:

Our University is very innovative in curriculum design. It takes into consideration the changing needs and aspirations of the students and society. During the last two year, our university has made major revisions in framing of the syllabus. For Arts faculty our university has adopted 80+20. The focus of the syllabus is on student's internal evaluations and oral testing for quality sustenance and enhancement our university has introduced the semester system from the academic year 2009-10 onwards. This system keeps the students active throughout the year and the emphasis is on theory as well as practical. This helps to update the students in global scenario. Our institution is very keen in following the guidelines received from NAAC, UGC, AICTE, state council of Higher Education and other bodies. The curriculum design and implementation is so update that it meets the emerging and changing national and global trends.

Best practices in curricular Aspects:

Our institution is very active and keen to provide good educational opportunities to the students for quality sustenance and quality enhancement. Our institution has provided updated audio-visual aids, internet facility and all techniques used in ICT. The library facility and reading hall availability fulfill the needs of the students for the quest of knowledge and excellence.

For Re-accreditation:

Our institution is keen and active in curriculum design and the faculty members have share in syllabus designing in the capacity as members of board of studies of Dr. Babasaheb Ambedkar Marathwada University, Aurangabad. Our college provides updated computer laboratories, Audio-visual Aids, internet facility and all techniques used in ICT.

Criteria II: Teaching, Learning and Evaluation

Admission process and Student Profile:

Admission process is very transparent. We publish prospectus for every academic year which gives all the information about the college, syllabus, fee structure, rules and regulations. The college has its institutional website <http://assc.org.in> & Email: ascchousala@gmail.com we also give the information about the admission process through advertisement in local news papers, Pamphlets, Posters & Digital Banners. We run the courses such as B.A., the criteria for admission to B.A. is through Merit basis. The institution ensures transparency in the admission process. Every point is made clear and specific in the prospectus. Admission process is very fair and we ensure equity to the students from disadvantaged community, women, differently abled, economically weaker sections, sports persons, artists & person from cultural field etc.

Catering Diverse Needs:

At the beginning of the academic year the principal of the college addresses to the new comers and gives them complete knowledge about the academic and extra-curricular activities to be performed during the academic year.

We have well advanced computer facilities for the development of the students. We have also a provision for tutorials to test and equip the students in academic pursuits. At the time of admission we also guide the students about the utility of the courses and help them to choose the subjects as per their choice and aptitudes.

Teaching learning process:

The institution plans and organizes the teaching – learning and evaluation schedule through academic calendar, annual teaching plan. The teaching is implemented through time-table. Evaluation of the students is done through test, tutorials, seminars, group discussions, intelligence test, debating competition essay writing competitions, reciting of poetry and through sports activities and musical performances.

To make teaching learning method effective, we give impetus to the students and involve them in teaching learning process. We adopt lecture method but seek the student's participations in teaching & learning process. As we have adopted 80+20 pattern for BA & 70+30 pattern. Our focus is on practical oriented education through practical and demonstration in the laboratories tests, tutorials, and oral knowledge testing methods. To update the students and to meet the technological proficiencies we use audio-visual, multimedia, ICT, CAL & internet etc.

The students and the faculty keep pace with recent developments through the participation in seminars, workshops, orientation courses, refresher courses, state/national seminars & international conferences etc. In addition to the central library, we have also maintained departmental libraries which facilitate the teaching and learning of the staff and the students.

The institutions evaluate the teachers through feedback taken from the students. We get feedback forms filled by the students, analyze them and implement the suggestion given by the students for the improvement in teaching.

Teacher Quality:

The selection of the faculty is done through the selection committee, which comprises the members from the Director of higher education, University, Management & subject expert appointed by the honorable vice chancellor and the chairman of the institution. All the rules, regulations & qualifications are followed for the selection of the faculty. As a result of this process we get the qualified and competent teachers to handle all the courses.

Evaluation process and reforms:

The evaluation of the students is done through test, tutorial, 1st & 2nd term exams & oral exams. We communicated the progress of the students through their results of the practical exam and their performance is communicated to their parents through correspondence. We also organize alumni-parents meet and educational and academic programs are discussed in it. We take into consideration the suggestions and the recommendation of the students, alumni and the parents. We have also 'grievance redresses cell' which sort out the grievances of the students and the staff received through 'suggestion Box' and tries to solve their problems. During the last two years our University has undertaken major educational reforms and it has started 80+20 pattern for B.A. from the academic year 2009-10. Our university has implemented semester system which helps the students to pursue their studies in a very effective manner. This system keeps the students active throughout the year. 80+20 has proved to be very effective in quality enhancement.

Best practices in teaching learning process:

Our institution is very keen and innovative about the teaching – learning process. We consider students as the central point of education process. Management arranges two meeting in every academic year with the Principal & the staff.

In the meetings held during the last two years the issues discussed, are as follows:

- 1) Plan for the next academic year.
- 2) To submit different plans to UGC about infrastructural & academic development.
- 3) Discussion on academic issues such as: admission, progress of the college and efforts taken to raise the standard of the college.
- 4) Overall review of the working of various college committees.

We have decentralization of power for the sake of smooth functioning of the college. By forming various committees we have decentralized the administrative process. We have also different departments in our college. They are Humanities and Social Sciences and we have the non-teaching personnel which look after official work. The institution brings about a fair and smooth co-ordination and collaborates with different department & committees to improve the quality of its educational provisions. The institution's support, co-operation, guidance and inspiration in smooth functioning and for the improvement of quality among all these departments are of utmost value.

The institution takes every care for the effective internal co-ordination and monitors the entire department smoothly and effectively. The institution through the Principal and the local governing council and its visit from time to time brings about co-ordination and controls the different sections of the departments.

We have intercom facility in our college. The communication between the Principal and the office is very effectively maintained within a fraction of a minute through this facility.

The Principal gets every minute and the detail information about the total functioning of the office through the facility of LAN (Local Area Network).

The Principal can make major announcement on the most urgent issues from the office itself on the Mike system in the college campus.

For free and fair atmosphere in the college campus and for smooth functioning and welfare of the staff, we have, "Grievance Redressal Cell". Our Principal Capt. Dr. M.G. Rajpange is the president of the cell. It looks after how the employees are fairly placed and if they have any grievances, complaints' problems, they can put before the Grievance Redressal cell. Fortunately we have no grievances during the last two years and the committee is very vigilant to keep free, fair, impartial and atmosphere of equity in the college campus.

The Management meets the staff twice in an academic year. The major issues regarding the research activities, participation in refresher and orientation courses, participation in different committees of the university, active participation in State, National & International Conferences & applications of the research work for the benefit of the society and motivates the staff to complete Ph.D., M.Phil, NET & SET are discussed.

We have in our college a cell to prevent sexual harassment of women staff. The following committee keeps eye on the problems and difficulties of girl students and women staff in our college. They are very vigilant to see how women can function in a free and fair atmosphere without any sexual harassment. The committee consists of the following members.

President	:	Prof. Dr. Mule Rekha
Secretary	:	Prof. Sou. Sayyed Sahin
Members	:	Prof. Sou. Kashid Vaishali
Members	:-	Raut Asmita
(Student Representative)		

We have a very healthy atmosphere for women staff. The committee is very alert to see how women staff can work in an atmosphere of respect and justice.

Strategy development and deployment:-

At the beginning of every academic year we chalk-out a plan for the development activities of the institution, the plan includes infrastructural growth, academic enrichment, staff improvement and research and extension activities. The Principal under the guidance of the management and with the help of the teachers, students and administrators try to implement the plan effectively.

The principal in the meetings of the staff communicate the development plan of the institution and all the activities to be undertaken for infrastructural and academic development and guides how these plans are to be implemented.

The Principal constitutes different committees of the members of the staff for the management and implementation of different institutional activities.

The following committees are constituted by the Principal for implementation of different institutional activities.

The committees are as follows:

1. Admission
2. Time Table & Annual Planning
3. I-QAC
4. Internal Assessment
5. Exam
6. Research Committee
7. Entrepreneurship & business guidance
8. Purchase
9. Student's welfare

10. Competitive Exam Coaching Management
11. Placement
12. College Magazine & Advertisement
13. Sports
14. Women Redressal Cell
15. Grievance Redressal Cell
16. Student Council
17. Alumni
18. Earn & Learn
19. Cultural
20. Library
21. Office Management
22. Staff Welfare

MIS (Manage Information System):-

We have the MIS section located in administrative office with personal computers connected with internet having multiple software related data processing. We use computerized system to align & integrate data & information.

The institution seeks data, information suggestions from the feedback obtained from the alumni, parents and students and use it in the process of decision making and quality enhancement.

The institution through meetings, discussions creates a conducive environment for promoting co-operation among different departments. The institution takes initiative for sharing the knowledge, innovation and empowerment of the faculty by providing those opportunities to attend seminars, conferences, work-shop, symposiums etc.

Human Resource Management:-

For performance assessment of faculty and staff we use self appraisal method, feedback taken from the students, and assessment done by internal assessment peer committee and the confidential reports taken through the heads of the departments and the principal. This method helps for self improvement and assessment.

The institution is very conscious and careful about the welfare of the staff and the faculty. The institution has undertaken welfare measures for the well being and improvement of the staff. The staff co-operative society entitled "Navgan Vinayak Shikshak Karmchari Co-operative Society, Beed." gives loans to the members of the staff to meet their needs and at the time of emergency. The institution also motivates the members of the staff to build their own houses, to buy vehicles and gives clearance for bank loans. Even for educational purpose of the wards of the staff the institution is ready to give clearance for bank loan to pursue their academic and research activities in satisfactory manner.

The institution provides facility of medical reimbursement to the staff and their family. To maintain their physical capacity & quench their mental thirst the institution provides the facility of indoor & outdoor games. The college arranges 'Yog Shibir' to keep the staff tension free.

For women's staff the college provides maternity leave so that they can keep their health fit and look after their kids in a better manner.

The institution strictly follows all the rules and regulations laid down by the govt. of Maharashtra, Dr. Babasaheb Ambedkar Marathwada University and UGC for the recruitment, Career development and placement of the staff and faculty.

If the qualified staff is not available and if there is need and urgency to recruit the faculty so that the students will not suffer from academic loss, the management recruits the staff on

C.H.B. for the academic year. The work load & the salary structure to the faculty appointed on C.H.B. basis is as per the rules laid down by the Government of Maharashtra.

In order to give impetus for quality sustenance and enhancement the institution gives financial support as per the rules of U.G.C. and the dept. of Higher Education so that the faculty participates in various academic activities like seminars, workshops and conferences and research projects.

For the faculty development our college has introduced a novel idea of Staff Academy which organizes the lectures of the staff on major important academic issues. A free and fair discussion follows the lectures which help for up gradation of knowledge and skills of the staff and faculty. For up gradation of the non teaching staff, the institution has undertaken a programme in computer training. The staff and the faculty have been motivated to complete their MS-CIT so that they could update their knowledge in the world of information technology and Globalization.

The office is update with the recent software such as:-

'Digital College' of Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, 'College Management System' of 'It's the Master Software, Nagpur' & 'Shikshankranti' Aurangabad.

Training Programs:-

The University conducts 'Digital College' Software training program every year to equip the staff in computer competency.

The non teaching staff is given facility to attend workshop & training program on 'College Management System' software conducted by 'It's the Master Software, Nagpur every year.

'Shikshankranti' Software Co., Aurangabad has given training to non teaching staff.

The software companies make our software update as per the recent development in the field of information technology & also train our staff.

6.4.7 The institution has provided separate well furnished and well equipped departments to humanities, social sciences, commerce, and management science. This facility is very congenial for the pursuit of knowledge and excellence. The faculty can impart knowledge to the students in free and fair manner and pursue their research activities.

Financial Management & Resource Mobilization:-

The Government of Maharashtra & U.G.C. gives financial support to the institution. Details of the grants received from the government for the last three years under different heads.

Year	Heads	Amount in Rs.
2008-09	Salary, Medical Bill	6547897
2009-10	Salary, Non Salary Medical Bill	6807262
2010-11	Salary	10717634

The college runs on the grants received from UGC and Govt. of Maharashtra. The govt. provides insufficient budget to cover day to day expenses. The deficit to cover day to day expenses is provided by the management.

Budget Allocation:-

The budgetary resources to fulfill the institution's mission and offer quality program are based on the grants received from UGC, the Govt. of Maharashtra & the Management.

Budget allocation over the past two year given as below:

The accounts of the college are audited regularly.

Procedure: Internal Audit is done by Registered Chartered Accountant and External Audit is done by Senior Auditor of Joint Director, Higher Education, Aurangabad Division, Aurangabad.

The Audit Report for last two years is attached in ANNEXURE-II.

The institution has its computerized finance management system. The college uses "Payroll & Account" software for financial Management. There is a separate computer system under observation of the Principal. The details are as follows:

- 1) *Fee collection from student*
- 2) *Pay-Sheet-Salary Structure*
- 3) *Account – Daily Cash Book, Ledger, Income & Expenditure report, Balance Sheet generated.*

Best Practices in Governance and Leadership:-

The institution gives the adequate and proper representation to the staff and the faculty on administrative bodies of the management. They are given ample freedom to carry out their academic and administrative activities in a free and fair manner.

The eminent personalities from different fields of society are given representation on the local governing council. Their involvement, guidance & suggestions from time to time give impetus to the academic growth of the college.

To involve the cream from different field of society and particularly in the village, Chousala and surrounding area in college activities, our college has organized program for senior citizens.

The involvement of the students in the academic activities of the college is taken care of. We have student council in our college. The representatives are elected on various academic & administrative bodies of the college. This helps the students to get training in leadership so that in future they can become the leaders and statesmen.

For Re-Accreditation:-

NAAC Committee recommended to impart training to staff to update their knowledge and efficiency in ICT. The management encourages and supports the involvement of the staff in college administration. We have decentralization for the smooth functioning of the college through various college committees. The Principal gets every minutes and detailed information about the total functioning of the college through LAN. The management meets staff twice in every academic year and the staff is motivated and inspired to pursue research activity and attend seminar, conferences etc.

The involvement of the students in academic activities of the college is taken care of. The student representatives are elected on various academic and administrative bodies. This helps the students to get training in leadership.

Criteria No.VII: Innovative Practices:**Internal Quality Assurance System:**

The goal (Bridwakya) of the institution is "Pursuit of Excellence" in academic and administrative system. The institution inspires and motivates the staff and the faculty for quality sustenance and enhancement. In the beginning of every academic year, we chalk-out our academic annual plan, time table and follow it strictly so that we become able to complete our syllabus within the time limit systematically and effectively. We also maintain teacher's diary which helps to organize the completion of syllabus, tests-tutorials, seminars, group discussions, tests and evaluation in a specific time frame and which assures quality enhancement.

The mechanisms undertaken by the institution for the quality assurance and enhancement include annual teaching plan, teacher's diary, and time table of tests, maintenance of daily attendance, tutorials and terminal examinations. We have also a committee to supervise the functioning of the college and academic activities.

The student is the core of the entire academic process. He is at the centre of the education and all the activities that go on throughout the academic year in the college. Students' active participation in all the academic and extra-curricular activities results into quality sustenance and enhancement. Our students play a vital and positive role in fulfilling the aims and objectives of the institution for quality assurance. Their involvement gives us positive results and guarantee quality and academic excellence.

To provide the best education and good opportunities to the students the institution provides library and reading hall facility even on Sundays and Holidays. We have separate reading hall for students so that they can study in a calm and quiet atmosphere. We run 'Earn and

Learn Scheme' to assist the poor and needy students to pursue their studies. The sport activities are available for all round development of the students.

The institution gives utmost importance to the quality of the students. Every year the institution gives rewards and prizes to the meritorious students and also provides financial assistance for higher studies. This positive inspiring motivation of the institution adds value to the quality enhancements.

Inclusive Practices:-

The institution is very impartial and transparent in admission process. Students from socially backward, economically weaker and differently-abled class can take admission and pursue their education in the college. The institution gives concession in fees to economically weaker students; 'Earn and Learn Scheme' run by the college gives financial support to the poor & needy students so that they can pursue their studies. We provide the facility of reading room, toilet and ramp for differently abled students.

The institution strictly follows the rules and regulations laid down by U.G.C., Dr. Babasaheb Ambedkar Marathwada University, Aurangabad and the Govt. of Maharashtra for the recruitment of the staff from the disadvantaged communities. The details are given below:

Sr. No.	Category	Teaching Staff	Non-teaching Staff
1	SC	05	01
2	NT	01	01
3	Women	--	--
4	Physically-challenged	--	01

The institution follows the rules and regulations for the recruitment of the women staff. To achieve gender balance among students, the institution maintains secure and fair atmosphere for

girls. They are given concession and relaxation in the fees and ample sports & library facilities. The girl students are provided the separate common room and clean and hygienic toilets. Ragging is strictly prohibited in the college campus. As we have in our college Women Redressal Cell and a Cell against sexual harassment of women, a very secure atmosphere is maintained and the parents feel that their daughters are 'at home' in the college campus.

The institution through various extension services such as career development programme, organization of seminars and workshops try to promote the overall development of students from rural and tribal background. The students are given ample opportunities to take part in all the college activities so that they can develop themselves.

The institution organizes the lectures of eminent personalities from different fields. The interaction among such eminent persons, students and staff creates conducive atmosphere for social justice and good citizenship. The celebration of national festivals such as Independence Day, Republic Day, Gandhi Jayanti, Dr. Babasaheb Ambedkar Jayanti, Annabhau Sathe Jayanti, Chhatrapati Shivaji Maharaj Jayanti etc. help to create the atmosphere of social justice, nationality, patriotism and good citizenship among the students and the staff. Our Principal Capt. Dr. M.G. Rajpange, some eminent faculty members deliver lectures on special occasion in various public places and as a result they contribute to create an atmosphere of equity and nationality.

Stakeholders Relationships:

At the beginning of every academic year our honorable foresighted and visionary Principal in his address to the students makes the academic plan of the college very clear and in consultation with the faculty and the students shows the ways and means how the academic plan is to be implemented effectively throughout the year. The academic programs which the college undertakes are evaluated through feedback from the students, through open discussion with them

and through the student's opinion which they express from time to time in their speeches and in the meetings called by the Principal.

Every year the college organizes the students, parents and the alumni meet which freely discuss the academic programs and try their level best how they are to be fairly implemented.

The institution is always inspiring and gives support to develop new programs to create an overall climate favorable to learning. To inspire the students the college organizes the lectures of successful personalities in higher fields of life. The guidance to get through in competitive examination is given to the students. The quest for knowledge and excellence is communicated to them through the program such as copy free exams and insistence on social justice and harmony. They are made aware how to be successful in the world of competition.

These above mentioned key factors attract students and stakeholders to the institution and result in stakeholder's satisfaction. Our students feel free and at home in the college campus. We have well qualified and devoted faculty to teach and guide the students. We have rich library with all types of recent books and separate reading room facility. We have a spacious playground which provides all athletic facilities to the students. The spacious and airy college building beautified by garden, lawn, attract the students. The Principal and the staff is very careful about their academic growth and mental satisfaction.

The institution considers the students as the members of their educational fraternity. They are involved in overall educational progress, the curricular, co-curricular, research, community orientation and spiritual development of the students. The students of our college take active part in cleanliness campaign in slum and rural areas, Pulse-Polio campaign, AIDS awareness, literacy mission, Tree plantation & Health and Hygiene awareness etc. the institution is very cautious to see how it could widen the mental horizons of the students.

The institution considers student as the pivot of the broader social framework and the academic and extra-curricular programs are developed in such a manner that they contribute to social awareness and a sense of belonging to the society and the nation as a whole.

The institution through Adult Education Programs, NSS Programs promote social responsibilities and citizenship role among the students. Every year NSS unit of the college organizes "Rural Reconstruction Camps" which helps the students to do social service and contribute their share to root out social evils and try to create a very healthy and optimistic atmosphere for social reconstruction.

The students go in the remote, hilly, unprivileged rural areas in their NSS campus and special camps organized by Govt. of Maharashtra with a mission to develop community. In regards with education, health, hygiene, medical facilities, pulse polio, campaign to create an atmosphere of social equality, justice and harmony irrespective of caste, creed, religion, color, language, sect etc.

Our institution supports and strengthens the neighborhood communities. The students of our college focus on the needs of social change. They see which factors to be emphasized upon for social regeneration.

Our staff and the students actively take part in the social activities which help to change society for the better. Our institution aims at the academic and spiritual development of the students. The faculty tries to update the students to reach the educational, intellectual and technological heights which the time demands.

Our institution is like a "Home". The management, the Principal, the staff, the faculty and the students live in fairly congenial atmosphere and all these elements consider as the members of one family. We provide the students all the essential facilities which help them to build their career and meet their expectations.

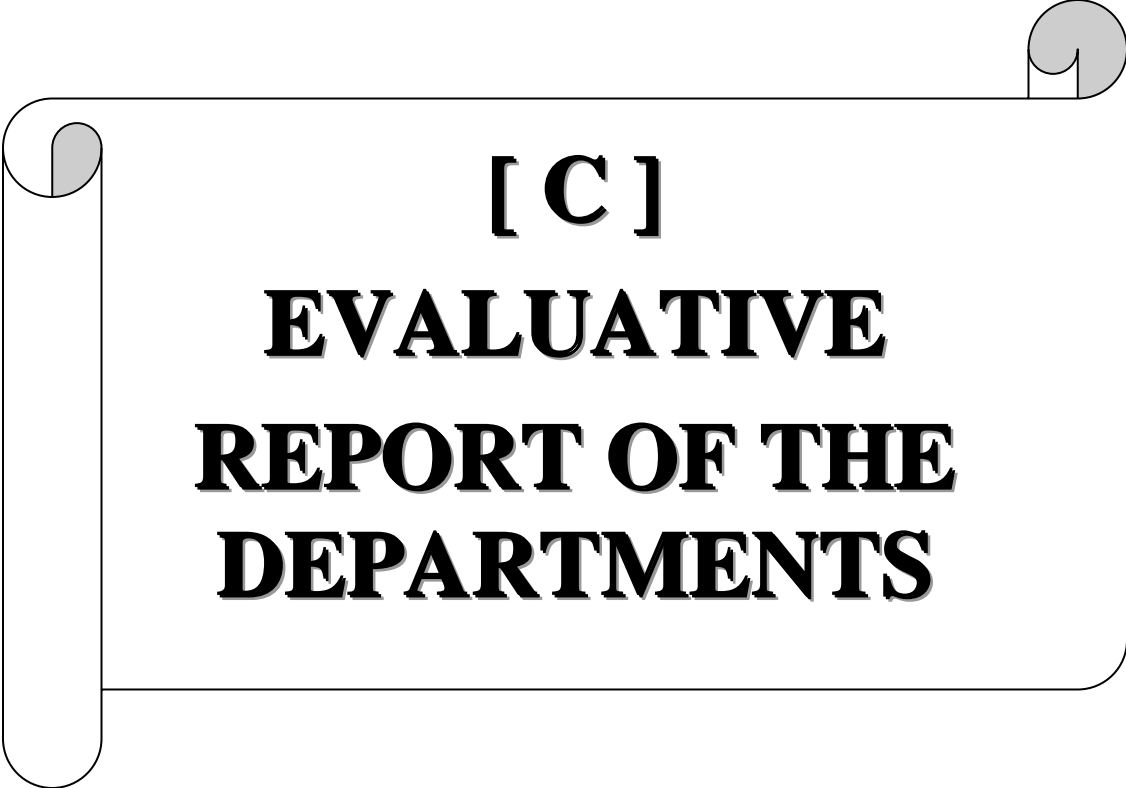

The management performs the role of a guardian and strives for the development and satisfactions of its stakeholders. We have in our college campus "Suggestion Box". All the stakeholders can put their suggestions, complaints into it. The management is very careful to take positive cognizance of all the suggestions or complaints made by its stakeholders. The management is very prompt to solve the complaints if any and finds solutions to the problems of its stakeholders. The management craves for the satisfaction and betterment of its stakeholders.

For Re-Accreditation:-

In the evaluative observation made by Peer Team NAAC the focus in on motivation to Non-Teaching staff to acquire computer skills and Computerization of office. The committee recommended for permanent affiliation from the university and consequently the college has applied for U.G.C. recognition U/s 2 (f) & 12 (b) of the UGC act. and on 20.10.2011 we got recognition of U.G.C. U/s 2 (f) & 12 (b).

We have accepted the recommendation of Peer Team NAAC and acted upon it positively. The committee recommended for Internal Quality Assurance Cell for continuous assessment and preparation for Re-Accreditation. The college has constituted IQAC & now we have made preparation for Re-Accreditation. The college considers student as the core of entire academic course and we are committed to provide the best education and good opportunities to students. We arrange the lectures of eminent personalities to guide and develop the students.

Our institution is like "Home". We provide the students all the essential facilities which help them to build their career and meet their expectations. The management performs the role of a guardian and strives for the development and satisfaction of its stakeholders.
