Action Taken Report on Various Feedback

The institution invited feedback from various stakeholders like students, teachers alumni and employer. Their responses on the design of the syllabus, its usefulness regarding research, environmental awareness etc. were recorded.

The feedback committee analyzed the feedback received. After the analysis feedback report was placed in front of the principal. The principal gone through the feedback. The principal and the feedback committee noticed that there were no major negative issues found in the responses received from the stakeholders.

Hence, no major action was taken regarding this. Satisfactory feedback responses were received.
